

WARNA[®]

EXPORTERS (PVT) LTD

APPROVED BY THE BOARD OF
INVESTMENT OF SRI LANKA (BOI) AS A LARGE SCALE
MANUFACTURER AND EXPORTER OF INDUSTRIAL/
HOUSEHOLD BROOMS, BRUSHES, BRUSH BLOCKS, FIBER
MIXTURES AND UPGRADED COCO FIBER

COMPANY PROFILE

OUR ESTABLISHMENT

Established in 1995 Warna Exporters are a leading Sri Lankan manufacturer and exporter of industrial and household wooden brushware.

Warna Exporters have the capabilities to fully manage the production process from tree cutting and preparation through to filling and shipping orders to customers around the globe. Timber blocks are produced from plantation grown FSC™ certified rubber wood, and can be filled with a variety of natural fibers or synthetic materials if required.

The background of the slide features a wooden surface with several brushes and a roll of fabric. One brush in the foreground has a wooden handle with two brass rivets and a white fabric strap. Another brush is partially visible behind it. To the right, a third brush with a wooden handle and yellow bristles is shown. On the left, a roll of white fabric is partially visible.

OUR VISION

To be the leading supplier of brush-ware keeping quality standards.

OUR MISSION

Manufacture & export brushware according to the requirements of our customers with timely delivery keeping quality standards.

INFRASTRUCTURE

Fully intergrated factory having a total built up area of 30,000 sq. ft/ exclusively designed to manufacture brushes from saw milling/timber treatment stage to fibre filling and finishing.

All the machinery installed are of semi-automatic type from specialists in the trade from Germany, Belgium, India and China
